

Boy Scout Troop 391

Lee's Summit, MO

Volume 1 - Issue 1

Welcome

Welcome to hopefully a regular newsletter for the parents, leaders and Scouts of Troop 391. This will supplement the websites we manage, so to keep you informed of upcoming activities. If there is any type of information which would be helpful and is not included on the websites, please feel free to let the troop know.

Steve Preston

Advancement Chair/Newsletter Editor

Fundraising

By the time you are reading this issue, you may have already picked up your Christmas wreaths, if you ordered them. With that in mind, I would like to ask you as a parent, what other types of fundraising activities would you feel could be presented by the troop throughout the year to help reduce the cost outlay for summer camp.

Upcoming Campout Information

November Campout

This month's campout will be held at Longview Lake on November 11-12th. The group camping area is located on View High Drive between "new" Raytown Rd. and "old" Raytown Rd. The theme will be outdoor skills which will include backpacking and orienteering, in addition to Rank advancement opportunities and Frisbee Golf. Show time is

8:00am, Saturday the 11th in the OLOP main parking lot.

December Campout – *NEW Time*

We will be camping inside the Strategic Air Command museum in Omaha, NE as part of this month's campout. This may even include sleeping under the aircraft. The dates are Dec 1-3rd. Please contact Scott LaCombe for more details. We are meeting at 4:45 and leaving at 5:00 p.m., which will get us to the Museum around 8:30.

Any scouts or adults that plan on going need to sign up by Monday 11-20-06. We will also need a driver count so we can put our Tour Permit together for the Council. The Moose Patrol will have a flyer ready for the 11-20-06 meeting that will supply the logistics and details. Generally we are spending the night at the SAC Museum on Friday and participating in their Space Exploration program, then traveling to Squaw Creek National Wildlife Refuge in Mound City, MO to participate in Eagle Days, sponsored by the Missouri Conservation Department. We will spend the night at Big Creek State Park near Mound City and attend Church on Sunday morning.

January '07 Campout

Winter Patriot Games (Winter Camporee) This event will have a winter sports theme (snow not required). More information coming soon... January 19-20, 2007 Location TBA. Click here for information on the patch design contest

Scout Camp Dates for Troop 391

**H. Roe Bartle Reservation
Camp Piercing Arrow
Campsite Laramie
June 18-27th, 2007**

Bartle Scout Camp

With Scout Camp still months away, I'd like to start by inviting your son(s) to attend if possible. This is truly a lifetime experience, in addition to a growing experience. Not only in outdoor skills but also in personal development.
